

## A PRAYER DIARY FOR KIDS ALIVE LEBANON

*“Look at the nations and watch – and be utterly amazed. For I am going to do something in your days that you would not believe, even if you were told.” Habbakuk 1v5*

### **Monday**

Pray for the **Residential Programme**. Thank God that this year’s new boys have settled in well. Pray that each of the 30 boys will know that they are loved and cared for.

### **Tuesday**

Pray for the **Moses Basket Care Centre** programme which offers a safe place for pre-school children in the community to play, and enables their single parents to work and support their families.

### **Wednesday**

Remember **Dar El Awlad School** in your prayers. Thank God for the commitment of the teaching staff. Pray that the school will meet each child’s needs. Pray for protection for the children as they travel to and from school each day.

### **Thursday**

Praise God for his **continued provision** for all of our ministries in Lebanon. Thank God for the child sponsors and all those that support the work through prayer, finances and other gifts.

### **Friday**

Pray for the **New Horizons Centre** near Sidon in south Lebanon, which cares for gypsy and Bedouin children that are living in desperate circumstances. Pray that the vision to meet their educational, physical and spiritual needs will continue to grow.

### **Saturday**

Thank the Lord for all the **staff** who serve in the ministry — the leadership team and managers, missionaries, administrative staff, house mothers, cooks, teachers and other volunteers. Pray for wisdom for each staff member and the resources needed to carry out their roles with joy and dedication.

### **Sunday**

Pray for **spiritual growth** in the lives of the children that we work with in Lebanon. Pray that each of the children would come to know that they have a Heavenly Father who loves them, and that they would serve Him in their lives!

**Thank you for joining in prayer with us.  
Please lift up the work in Lebanon before our  
Lord and pray that we will see God working in  
ways we would not believe and that we will  
indeed be utterly amazed!**
